Cod MF003

Colors Orange, Yello, Black

Size M, L

► This is the classic Muay farang short, simple and no frills short for concrete boxers.

The shorts features the text in Thai language "Muay Farang" in front, where usually in normal MT shorts you can find the "Muay Thai".

We chose to place the text in Thai on the front because in Thai culture is a misrespect to place it in the back side.

SHORTS

Cod MFSR001YL

Colori Giallo

Misure L, XL

► This short is perfect for Muay Thai training , easy to fit as a running short and comfortable for kick more than all others shorts. For Mathias and all Muay Farang Team became a daily Muay Thai Training short, because is very light, comfortable with lateral cuts (good for blocking) and doesn't get wet. It also has a small elastic, that doesn't hurt the skin while clinching, and so we fixed the problem for the people who like to pull up the shorts.

Can use also for fight K1 but is not good for fighting Muay Thai in Lumpinee , because you need classic Muay Thai shorts.

► These are the shorts weared by MF Captain Mathias Gallo Cassarino, for the fight against the Thai Nin Lookmakarmwan at Lumpinee Stadium on 4th October 2012 and for the fight against the Cambodian Van Chan Seth, for the WBC World Title.

The writing on the right side (yellow and white) means "Lumpinee, against the drugs"; in fact every fighter who compete at Lumpinee must have it on his shorts.

Mathias actually chose a different color and a different design, but it actually came out very nice he stated.

These are Mathias's lucky shorts since he won two great fights wearing them.

► These are the shorts worn by MF Captain Mathias Gallo Cassarino, for the fight against Nakamura at Lumpinee Stadium on 6th November 2012.

Mathias personally designed this classic MT Lumpinee shorts and is the best designed of MF collection.

These shorts are full of memories, with his name written in the center in Thai as well his former gym (Sitsongpeenong) on the left side; Mathias chose to place wings on the laterals because he thought maybe it could make him fly in the fight, with some spinning knee!

The writing on the right side (yellow and white) means "Lumpinee, against the drugs"; in fact every fighter who competes at Lumpinee must have it on his shorts.

The hoodies that cuddles You.

MuayFarang thinks about the environment with this new line of hoodies made by 100% organic soft cotton and realized entirely with "green" renewable energy such as wind and sun!

Muay Farang is a life style that was born in Thailand and is worn by young Muay Thai champions. Muay Farang hoodies are designed under the team fighters wishes, to give the top comfort during training and relax for afterwards. Beside an aggressive design with trendy and well cured details, they offer an extreme comfortable wearability, in short, these are hoodies that cover your muscles, tired from training and cuddles you when the temperature is not tropical. Mathias personally cured the line, from the selection of the materials to the realization of the final product.

In life such as on the ring, Mathias is much exigent and determined to achieve his goals and when you will try the hoodie you will understand what a product it is.

Muay Farang hoodies with the zip are more suitable for who loves to feel warm and protected from the cold weather, while the classics are so soft that you won't want to take it off.
